DONGGUAN LANSHUO HARDWARE ELECTRONICS CO.,LTD

Manufacturer Of High Quality Cabling

HDMI | TYPE-C | DVI | VGA | DP | VR/AR

DONGGUAN · CHINA
FOCUS ON CONNECTIVITY SOLUTIONS

01

COMPANY PROFILE

公司介绍

Dongguan Lenshuo Hardware Electronic Co., Ltd. has 10 years of experience in manufacturing wire harness and cable assemblies, with the monthly turnout of 500,000 units. We handle in-house molding, tooling, production, assembly and packaging with the use of our five production lines, supported by 200 staff members in our 3000sqm factory.

We became one of the biggest hdmi cable Manufacturers in China after more than a decade of experience in cable design, research, development, production and sales.

Our resources including production equipment and testing facilities from Taiwan and Japan enable us to turn out up to 1500000 units monthly and provide samples in one week. Orders are completed in two to four weeks. Our factory is located in the world largest electronic products manufacturer base – Dongguan ,GD province, China. Founded on the year 2006.

AIMS & OFFER

工厂优势

02

We avail our clients with the best quality and service at the best possible price with our newest high-tech equipment, experienced and professional managing team, unique thinking designers and skilled production team, years of experience and our faith in quality and development.

We are a professional factory that has the ability to design, research and develop new materials and techniques, produce and sell, all kinds of cable and wire harness: HD-MI, USB, DVI, VGA, DP.

We offer OEM services with low MOQ, together within in-house molding, tooling, production, assembly and packaging.

Supports 3D & 4K

PERFECT VISUAL ENJOYMENT

- High Speed HDMI cable
- Supports HDMI features including 4k resolution and 3D video
- Gold plated connectors

SAFETY INFORMATION

To reduce the risk of electric shock, do not expose this product to rain or moisture

Do not modify the wall plug. Doing so will void the warranty and safety features.

If the wall plug does not fit into your local power socket, hire an electrician to replace your obsolete socket.

This equipment should be installed near the socket outlet and the device should be easily accessible in the case it requires disconnection.

KEYSTONE Adapter
